Baby Bottle Fundraiser for Pregnancy Resource Center

Last Sunday, January 17th, was Sanctity of Human Life Sunday. Since the Roe v. Wade decision in 1973, there have been more than 58 million babies aborted. January and February are the months that we collect your spare change for **Living Alternatives Pregnancy Resource Center**. **Living Alternatives** is committed to saving the lives of unborn children by promoting life-affirming options and providing practical assistance, while sharing the gospel of Jesus Christ in word and deed, and to minister restoration to those who have been wounded by the trauma of abortion. PRC's #1 goal as a ministry is to reach pregnant women who are considering abortion, present them with accurate information about their options, and make the life-affirming options of parenting and adoption as hopeful as possible. PRC's #2 goal is to provide every client the choice to hear how they can receive eternal life through Jesus Christ, and to connect them with a local church or Bible study. Please consider supporting this ministry with prayer and monetary donations. **Baby bottles** are located at the back of the church starting today. **Sunday, February 28** will be the last day to return the bottles. **If you have any questions, please see Bob or Sally Goetting.**

Lent is coming soon. Ash Wednesday is February 10th. The Lenten devotionals are on the table in the narthex.

The contribution statements are available for pick up on the table in the library. Please pick up yours and a family member that you might see to save the cost of postage and **THANKS** for giving.
