Perhaps there is an acquaintance in your life who needs you to build a stronger friendship with him/her. Maybe it is your mechanic, your hair dresser, a neighbor or a person at work or school. You are someone who can share the greatest Friend any of them will ever have. Now is the time to intentionally build that friendship. Spend time with that person. Remember birthdays, anniversaries. Share you times of joy and celebration with that person. Seek ways to help and encourage your friendship. Look for opportunities to point them to Christ.
