### The Second Lenten Banner

This banner displays wheat, which is made into bread, and grapes, which is made into wine. They are the simple earthly means which together with God's Word convey to us His body and blood. Each one of us must take food into the mouth and swallow and digest it in order to receive nourishment. The heavenly meal the Lord so graciously offers is personal also. He recognizes each of us personally as His own dear child cleansed from sin by His blood, and each of us receives Christ personally into his or her own heart.

**Guests**, Please sign the guest register in the hallway and/or the yellow card found in the pew rack, drop it in the offering plate, or hand it to an usher. Please come worship with us again.
