THE RESURRECTION OF OUR LORD

April 21, 2019

***Please stand as you are able**

On Worship: Once again this year we are using a festival setting of Divine Service. That means that many of the canticles have a musical introduction that are ordinarily not used on other Sundays. Last year the congregation figured out most of them, but the acclamations surrounding the Gospel, "Glory to You, O Lord," and "Praise to You, O Christ," had musical introductions that surprised us. Be alert for these today. There is a brief musical introduction, then the acclamation is sung. Blessed Easter to all of you.
