# FIFTH SUNDAY OF EASTER

May 19, 2019

**\*Please stand as you are able**

On Worship: There are three readings in the typical Divine Service. The person who reads the readings is called the "lector." The stand from which the readings are read is called a "lectern." The reading itself is called the "lection" or simply the "reading." The system by which the readings for a given Sunday are selected and the book in which those selections appear is called a "lectionary."
