MISSION OBSERVANCE

May 26, 2019

***Please stand as you are able**

On Worship: The lectionary that we use assigns three readings for every Sunday. The readings are selected according to a system of observances that we call the "Church Year." The Church Year is divided into different sections called "seasons." We are currently in the Easter season. That means that the selected readings have something to do with Easter. The Gospel reading is selected first and then it is paired with an Epistle reading and an Old Testament reading that go with it.
