The trustees would like to bring the attention of the congregation to repairs needing to be completed to the limestone column that supports the exterior lighted cross on the church. Several months ago the red lights on the exterior cross of the church stopped working. The trustees brought out a crew to make repairs, but they found the lights could not be fixed. This work crew also found significant structural damage to the column that the cross is mounted to. The cross is bolted to the limestone column, but over the years the wind has caused the cross to sway back and forth. This swaying has caused numerous mortar joints in the column to break and could result in some of the limestone blocks or the cross falling down. The trustees arranged for the lighted cross to be taken down, until the limestone column can be repaired.

The trustees have sought bids to have the limestone column repaired, but this will be quite expensive. The blocks on the limestone column need to be removed down to the mounting points of the cross, the internal structure examined and/or repaired, and the limestone block reinstalled. The bids to

complete the masonry repairs will be approximately \$7,500.00 and the bids to replace the red lights on the cross are \$3,200.00. There may also be some unforeseen expenses if there is internal structural damage to the column.

It is the hope of the trustees that once repairs can be made to the column, that the cross can be safely reinstalled with new red lights and additional bracing to eliminate it swaying in the wind. Please consider making monetary donations to the building fund so these much needed repairs can be made. If you have any questions please speak to one of the trustees.

I just returned from a conference on Sunday and received Immanuel, Broadlands's VERY kind and generous check of \$1,755 for the Acts 1:8 Students in Mission Fund, plus the generous check covering my travel. THANK YOU! Immanuel, Broadlands's gift will be a great blessing to many CUNE students, enhancing their hearts and understanding of God's love in Christ for all people all around the world. I will deliver this Acts 1:8 Students in Mission gift to the Advancement Office.
