FOURTH SUNDAY AFTER TRINITY

July 14, 2019

***Please stand as you are able**

On Worship: The sermon is a present day application of one of the Scripture readings assigned to the Sunday. Typically the Holy Gospel reading serves as the basis for the sermon. In a congregation like ours that lacks daily services other readings may serve as the basis of the sermon. When the preacher preaches he stands in the stead of Christ our Lord and uses our Lord's authority to proclaim the Word to the congregation. If the pastor does not speak with the authority of Jesus, there really is no reason to come to church.
