Registered Nurses of all faiths are invited to attend the Foundations of Faith Community Nursing winter training course in Champaign County.

Faith community nurses draw a closer link between the church and healthcare communities by acting as health educators and counselors to a church membership, as well as assisting with homebound, nursing home and/or hospitalized congregation members.

Through this non-denominational program, participating registered nurses receive continuing education hours, as well as the support and resources necessary to implement a faith community nurse program within their own congregation.

Now is your opportunity to join more than 500 nurses who have found joy in serving their congregations. Interested in attending?

Call (217) 326-2583 for a registration form.

Class includes ALL dates and additional online work

Sept. 6 & 7 and Oct. 4 & 5

Fridays 5:30 – 9:30 p.m.

Saturdays 9 a.m. – 4 p.m.
